

# simple tools to help you activate your success superpowers

## Simple Tools to Help Students Thrive Beyond the Classroom

### Target audience

Ideal for undergraduate and graduate students exploring leadership, career readiness, personal growth, and life beyond the classroom.

### Overview

**Success is a process.** Through engaging stories and practical frameworks, Mike helps students understand the habits, motivations, and decisions that lead to better outcomes. Students leave with simple ideas they can apply immediately as they navigate opportunities, challenges, and the transition to professional life.

### What students will explore

- The four states of performance
- Why motivation drives outcomes
- How fulfillment fuels perseverance
- The power of asking for help
- Choosing the right opportunities
- How attitude shapes performance
- Why sharing goals creates momentum

Mike Rarer is a keynote speaker and the creator of Cheerful Gear. A former technology executive and startup CEO, he helps people and organizations thrive by using simple frameworks to drive greater success.
