

A former technology executive and startup CEO, Mike spent decades leading teams, driving growth, and helping organizations navigate change across startups and Fortune 500 companies. Those experiences shaped the frameworks he now shares with audiences.

Mike's keynote presentations feature his **Success Superpowers** framework—a collection of practical ideas designed to help people reach more of their goals in business and life.

Mike also created **Cheerful Gear**, a free platform that helps people through emotional moments. Built on years of research and volunteer work in emotional health, Cheerful Gear makes simple, supportive ideas easier to access when they matter most.

Whether speaking to corporate teams, leadership groups, or college students, Mike's goal is to help people and organizations thrive.

Mike Rarer is a keynote speaker and the creator of Cheerful Gear. A former technology executive and startup CEO, he helps people and organizations thrive by using simple frameworks to drive greater success.
