

Simple Tools to Help Students Thrive Beyond the Classroom

Target audience

Ideal for undergraduate and graduate students exploring leadership, career readiness, personal growth, and life beyond the classroom.

Overview

Success is a process. Through engaging stories and practical frameworks, Mike helps students understand the habits, motivations, and decisions that lead to better outcomes. Students leave with simple ideas they can apply immediately as they navigate opportunities, challenges, and the transition to professional life.

What students will explore

1. What are the four states of performance?
2. Why do we reach some goals and miss others?
3. What role does fulfillment play?
4. How can asking for help accelerate success?
5. Why is opportunity so important?
6. How does our attitude affect our outcomes?
7. Does sharing our goals unlock even more potential?

Mike Rarer is a keynote speaker and the creator of Cheerful Gear. A former technology executive and startup CEO, he helps people and organizations thrive by using simple frameworks to drive greater success.
