

Activate Your  
Success Superpowers

## Introduction

**Mike Rarer** is a former technology executive and an award-winning leader who built top-performing teams in companies that range in size from early-stage startups to the Fortune 500.

He is here today to share content from his book ***Whiteboard Wisdom*** and practical success principles we can all apply to excel at work, reach more goals, build better relationships, and find greater fulfillment.

Please join me in welcoming Mike Rarer.
