

Stage Introduction

Please join me in welcoming Mike Rarer.

Mike is a speaker, author, and leadership and goal attainment coach who helps leaders and teams reach more of their goals in business and in life.

Before becoming a speaker, he spent decades leading teams in the technology industry, serving in roles from startup CEO to senior executive in organizations ranging from early-stage companies to the Fortune 500.

Today, Mike shares the practical success principles he calls **Success Superpowers**—simple, actionable ideas that help people strengthen focus, improve performance, and make meaningful **progress toward the goals that matter most.**

Please welcome Mike Rarer.
